I understand and agree that:

I noted on my application all previous attendance at any post-secondary institutions. If I have had transfer credit approved as part of my acceptance for admission, I must have an official copy of my most recent transcript(s) sent directly from the institution(s) attended to Berea College Office of Admissions CPO 2220, Berea, KY 40404, by August 1, 2023.

I have disclosed all available income on my financial statement, and understand that I am responsible to earn through Berea College's Labor Program (or otherwise provide) \$1,000 each summer to help pay for expenses after my first year at Berea College.

I am not currently married, nor intending to be married before my enrollment at Berea College. I understand that marriage during my enrollment as a Berea College student could disqualify me from continuing on the international scholarship.

I am responsible for paying my SEVIS fee before going for my visa appointment (information will be included with the acceptance package, along with housing and arrival information). I am also responsible for paying my airfare to Lexington, Kentucky (LEX).

I-20's are issued only to accepted students who have declared their intent to enroll, who have paid their deposit and have returned their medical history form(s)*.

I understand that I am required to live on-campus during the entire time I am at Berea College (excluding Winter & Summer breaks), and that the expectation of the international scholarship is to act as an active ambassador for my country.

I have read and responded to the information on both sides of this sheet and hereby accept Berea College's offer of admission.
