What services are being offered to protect my child’s identity?

Any eligible member under the age of 18 on your active medical health plan is covered by *AllClear Identity Repair* services (no enrollment required) and *AllClear ID ChildScan* (if you enroll them in this coverage). *AllClear ID Child Scan* is only available to children under the age of 18 because adult credit monitoring services are not available to minors. *AllClear ID ChildScan* actively scans databases to see if your child’s Social Security number is being used illegally. If fraud is found, an investigator will help to repair your child’s identity.

Who will receive the notification about these services?

Only the subscriber (the person who holds the eligible medical health plan policy) will receive the notice. Children and adult dependents will not. However, all members are eligible for identity protection services as long as they have an active medical health policy.
