(72.1%)	(20.3%)	(7.6%)	(100%)
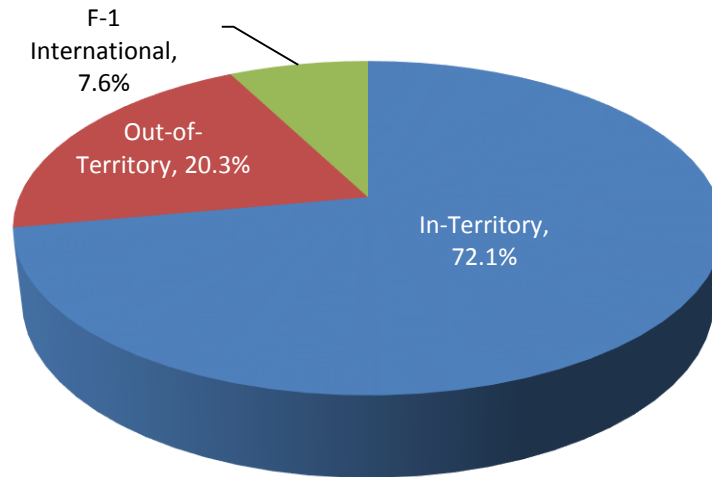

NOTE: The category "F-1 International" does not include all students who come to the College from other countries or with substantial international experience. For example, "permanent residents" who may be asylees or refugees are counted as "In-Territory" or "Out-of-Territory" rather than "F- 1 International" depending on residence at the time of application. These students are eligible for federal financial aid that F-1 International students cannot legally receive. In Fall 2014, forty two (42) Berea College students were designated as "permanent residents." Also, there are 5 F-1 International students enrolled as exchange students (non-degree-seeking) this fall.

TOTAL STATES, TERRITORIES, AND COUNTRIES REPRESENTED
FALL 2014 DEGREE-SEEKING ENROLLMENT

- 43 different states
- 2 U.S. Territories (American Samoa, Guam)
- Armed Forces (Europe)
- 62 countries other than the U.S.

DEFINITIONS OF TERRITORY CATEGORIES

Berea College students are characterized at term of entry by one of three "geographical" categories. They are:

- *In-Territory*: Students who come from much of the Appalachian region and all of Kentucky within the white area in the map below. In-Territory also includes permanent residents (a non-citizen who has formally established residency in the U.S.) and refugees who reside in the territory.

- *Out-of-Territory*: Students who come from outside the In-Territory area, including U.S. Citizens living in foreign countries. Out-of-Territory also includes permanent residents (a non-citizen who has formally established residency in the U.S.) and refugees who reside out of the territory.

- *F-1 International*: Students who are not U.S. Citizens, permanent residents, or refugees.
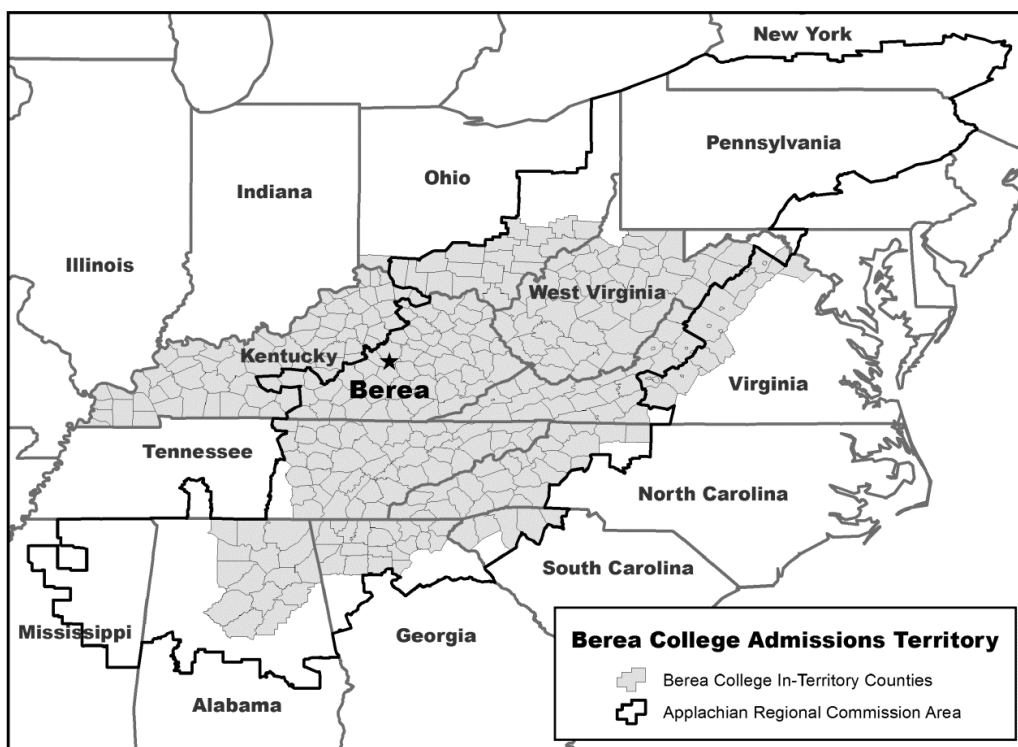

NOTE: The *Appalachian Regional Commission (ARC) Area,* as defined in ARC's authorizing legislation, is a 205,000-sqaure-mile region that follows the spine of the Appalachian Mountains from southern New York to northern Mississippi. It includes all of West Virginia and parts of 12 other states: Alabama, Georgia, Kentucky, Maryland, Mississippi, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, and Virginia. Forty-two percent of the Region's population is rural, compared with 20 percent of the national population. The region includes 420 counties in 13 states and is home to more than 25 million people.
