

Monday Messages to Students from Alumni

From a 1998 Graduate: *This too shall pass. A favorite quote of my dad's. Do your parents have a favorite quote, bible verse, or saying? Hold on to it this year as you take each day step by step. Berea is such a wonderful place to be and we hope that you can get back to in person classes and all the college fun real soon. Hugs from your alumni pals.*

From Richard Parker, Class of 1950: *Your appreciation of what Berea College means in your life will grow after you graduate and take up your life's work and compare your talents with others. A sound education in your field of interest and good work ethics will open many opportunities for you.*

From a 1989 Graduate: *Dear Fellow Bereans: It is my sincere wish that you are faring very well, physically and emotionally, through this pandemic. The resilience you have demonstrated on your journey to Berea College will see you through this challenge. At Berea, we look out for one another, so please take good care of yourself and those around you. Focus on making the most of your Berea experience and, once we have this behind us, you will be well prepared to carry on the good name of our beloved Berea wherever you choose to serve.*
