

Service/Volunteerism/ Civic Engagement

Student, Faculty, and Staff Survey Items

Student survey names listed in blue
Faculty and staff survey names listed in green

Student, Faculty, and Staff Survey Feedback by Topical Area: Service, Volunteerism, and Civic Engagement

Cooperative Institutional Research Program (CIRP), Entering Fall Term First-Year and New Transfer Students

2010 - 2020 Construct Reports

Construct: Social Agency *measures the extent to which students value political and social involvement as a personal goal.*

Construct: Likelihood of College Involvement *is a unified measure of students' expectations about their involvement in college life generally*

Construct: Civic Engagement *measures the extent to which students are motivated and involved in civic, electoral, and political activities. (added in 2012)*

2020 Theme Report – Includes comparisons with other Non-Sectarian Institutions

Theme: Civic Engagement: Participation, Awareness, and Values: *these items relate to the levels of engagement and satisfaction with community and volunteer work in high school, as well as items that reflect future orientation towards volunteer and community service.*

In the past year, how often have you:

- Demonstrated for a cause (e.g., boycott, rally, protest)
- Performed volunteer work
- Voted in a student election
- Discussed politics
- Publicly communicated my opinion about a cause (e.g., blog, email, petition)
- Helped raise money for a cause or campaign

How would you rate yourself in the following areas:

- Ability to see the world from someone else's perspective
- Tolerance of others with different beliefs
- Openness to having my own views challenged
- Ability to discuss and negotiate controversial issues
- Ability to work cooperatively with diverse people

Please indicate the importance to you personally of each of the following

- Influencing social values
- Helping others who are in difficulty
- Participating in a community action problem
- Helping to promote racial understanding
- Keeping up to date with political affairs
- Becoming a community leader

What is your best guess as to the chances that you will:

- Participate in student government
- Participate in volunteer or community service work

Cooperative Institutional Research Program (CIRP), continued:

Graphical Report (Recent Trends, 2020, Historical Trends)

Rate your agreement with each of the following

- The federal government should do more to control the sale of handguns (asked in 2002-2010)
- The federal government should have stricter gun control laws (asked in 2016 and 2020)
- The United States should intervene in the wars of other countries (asked in 2018)
- The U.S. government should create a clear path to citizenship for undocumented immigrants (added in 2020)
- My political views closely resemble those of my parent(s)/guardian(s) (added in 2020)

In the past year, how often have you:

- Performed volunteer work
- Discussed politics
- Voted in a student election (asked 2002 through 2018)
- Demonstrated for a cause (e.g., boycott, rally, protest)
- Helped raise money for a cause or campaign (added in 2010)
- Performed community service as part of a class (asked in 2002 through 2014)
- Publicly communicated my opinion about a cause (e.g., blog, email, petition) (added in 2010)
- Worked on a local, state, or national political campaign (asked in 2004; 2008 through 2014)

During your last year in high school, how much time did you spend during a typical week doing the following activities?

- Volunteer work (not asked in 2016)

Please indicate the importance to you personally of each of the following

- Influencing social values
- Helping others who are in difficulty
- Helping to promote racial understanding
- Becoming a community leader
- Participating in a community action program
- Keeping up to date with political affairs
- Influencing the political structure

What is your best guess as to the chances that you will:

- Participate in volunteer or community service
- Participate in student protests or demonstrations (not asked in 2016)
- Participate in student government

Rate yourself on each of the following traits as compared with the average person your age.

- Ability to see the world from someone else's perspective (added in 2008)
- Tolerance of others with different beliefs (added in 2008)
- Openness to having my own views challenged (added in 2008)
- Ability to discuss and negotiate controversial issues (added in 2008)
- Ability to work cooperatively with diverse people (added in 2008)

How important was each reason in your decision to come here?

- This college's graduates make a difference in the world (added in 2016)

Berea-Specific Entering Survey, Entering Fall Term First-Year and New Transfer Students

Rate the importance to you of each of the following:

- Serving humankind
- Being a responsible citizen of the world
- Volunteering service to my community

How important is it to you to accomplish each of the following?

- To learn more about nonviolent conflict resolution

Higher Education Research Institute (HERI), Faculty Survey: 1989, 2004, and 2014

2014 Construct Report

Construct: Civic Minded Practice – *A unified measure of faculty involvement in civic activities.*

Construct: Civic Minded Values – *A unified measure of the extent to which faculty believe civic engagement is a central part of the college mission.*

2014 Graphical Report

During the past two years, have you engaged in any of the following activities?

- Advised student groups involved in service/volunteer work
- Collaborated with the local community in research/teaching

During the past two years, have you engaged in any of the following activities?

- Taught a service learning course

During the present term, how many hours per week on average do you actually spend on each of the following activities?

- Community or public service

In how many of the courses that you teach do you use each of the following?

- Community service as part of coursework

Indicate the importance to you of each of the following education goals for undergraduate students:

- Teach students tolerance and respect for different beliefs
- Instill in students a commitment to community service
- Encourage students to become agents of social change

Please indicate your agreement with each of the following statements:

- Colleges have a responsibility to work with their surrounding communities to address local issues

Indicate how important you believe each priority listed below is at your college or university:

- Develop a sense of community among students and faculty
- Facilitate student involvement in community service
- Help students learn how to bring about change in society
- Provide resources for faculty to engage in community-based teaching or research

During the past two years, have you:

- Engaged in public service/professional consulting without pay

National Survey of Student Engagement (NSSE), First-Year & Senior Students:
Spring 2003, 2007, 2010, 2014, and 2019

During the current school year, about how often have you done the following?

- People with political views other than your own

About how many of your courses at this institution have included a community-based project (service-learning)?

About how many hours do you spend in a typical 7-day week doing the following?

- Doing community service or volunteer work

How much does your institution emphasize the following?

- Attending events that address important social, economic, or political issues (added 2014)

How much has your experience at this institution contributed to your knowledge, skills, and personal development in the following areas?

- Being an informed and active citizen (added 2014)

During the current school year, whether course-related or not, about how often have you done the following?

- Discussed or debated an issue of social, political, or philosophical importance (added 2014)
- Discussed the ethical consequences of a course of action (added 2014)

Topical Module: Inclusiveness and Engagement with Cultural Diversity (Asked only during 2019 administration)

During the current school year, about how often have you done the following?

- Participated in a demonstration for a diversity-related cause (rally, protest, etc.).

Topical Module: Civic Engagement (Asked only during 2019 administration)

Select the response that best represents your ability to do the following:

- Help people resolve their disagreements with each other.
- Resolve conflicts that involve bias, discrimination, and prejudice
- Lead a group in which people from different backgrounds feel welcomed and included.
- Participate in a constructive dialogue with someone who disagrees with you.
- Contribute to the well-being of your community.

How much does your institution emphasize the following?

- Discussing important social, economic, or political issues with others.
- Organizing activities focused on important social, economic, or political issues.
- Being an informed and active citizen.
- Being involved in an organization or group focused on important social, economic, or political issues.
- Voting in campus, local, state, or national elections.
- Encouraging free speech and expression.

How much do you feel encouraged addressing important social, economic, or political issues in the following?

- In course assignments.
- In course discussions.
- Outside of class.

National Survey of Student Engagement (NSSE), First-Year & Senior Students, continued:

Topical Module: Civic Engagement (Asked only during 2019 administration), continued:

During the current school year, whether course-related or not, about how often have you done the following?

- Informed yourself about campus or local issues.
- Informed yourself about state, national, or global issues.
- Discussed campus or local issues with others.
- Discussed state, national, or global issues with others.
- Raised awareness about campus or local issues.
- Raised awareness about state, national, or global issues.
- Asked others to address campus or local issues.
- Asked others to address state, national, or global issues.
- Organized others to work on campus or local issues.
- Organized others to work on state, national, or global issues.

Faculty/Student Comparisons (FSSE/NSSE)

FSSE: In your selected course section, how much opportunity do students have to engage in discussions with people from the following groups?

NSSE: During the current school year, about how often have you had discussions with people from the following groups?

- People with political views other than your own

FSSE: How important is it to you that your institution increase its emphasis on each of the following?

NSSE: How much does your institution emphasize the following?

- Attending events that address important social, economic, or political issues

FSSE: About how many of your undergraduate courses at this institution have included a community-based project (service-learning)?

NSSE: About how many of your courses at this institution have included a community-based project (service-learning)?

FSSE: To what extent do you structure your selected course section so that students learn and develop in the following areas?

NSSE: How much has your experience at this institution contributed to your knowledge, skills, and personal development in the following areas?

- Being an informed and active citizen

FSSE: In an average 7-day week, about how many hours do you think the typical student in your selected course section spends doing each of the following?

NSSE: About how many hours do you spend in a typical 7-day week doing the following?

- Doing community service or volunteer work

Berea-Specific Item

To what extent do you agree with the following statement?

- Going to a work college helps me learn the value of community service

Student Satisfaction Inventory (SSI), All Students: 1998, 2003, 2008, 2013, and 2018

Berea-Specific Items

Breakdowns by: All, African-American, International, Male, and Female Students

Importance/Satisfaction Ratings

- There are adequate volunteer opportunities for me to provide service
- The Center for Excellence through Service (CELTS) contributes to my overall education (added in 2013)
- Being involved in service is an important part of my overall education.

Graduating Seniors' Survey (includes ACT College Outcomes Survey)

The extent of Berea College's contribution (i.e., your college experiences both in and out of class) to your personal growth.

- Actively participating in volunteer work to support worthwhile causes

Indicate the number of hours per week you currently spend on each type of activity listed below.

- Off-campus community service (e.g., religious, civic)

Berea-Specific Items

Did you participate in community service, outreach programs, or some kind of service-learning project while at Berea?

Rate the importance to you of each of the following:

- Serving humankind
- Being a responsible citizen of the world
- Volunteering service to my community

Historical Survey Data (Prior to 2012)

Cooperative Institutional Research Program (CIRP), Entering Fall Term First-Year and New Transfer Students

Did your high school require community service for graduation? (only asked in 2002 and 2004)

Berea-Specific Entering Survey, Entering Fall Term First-Year and New Transfer Students

Rate the importance to you of each of the following:

- Working for social change

Your First College Year (YFCY), Spring 2005 Follow up to Fall 2004 CIRP

Percent of Students who marked “frequently” or “occasionally”

- Participated in organized demonstrations
- Performed volunteer work

Percent of students who marked the objective as “very important” or “essential”

- Influencing the political structure
- Influencing social values
- Helping others who are in difficulty
- Becoming involved in programs to clean up the environment
- Participating in a community action program
- Becoming a community leader
- Improving my understanding of other countries and cultures
- Improving the health of minority communities

Percent of students noting “much stronger” skills compared with time when entered college:

- Understanding of the problems facing your community

Percent of students noting they are “satisfied” or “very satisfied” with the following

- Opportunities for community service

National Survey of Student Engagement (NSSE), First-Year & Senior Students

2003, 2007, and 2010 Administrations Only

In your experience at your institution during the current school year, about how often have you done each of the following?

- Participated in a community-based project as part of a regular course

Which of the following have you done or do you plan to do before you graduate from your institution?

- Community service or volunteer work

Student Satisfaction Inventory (SSI), All Students

Berea-Specific Items

Breakdowns by: All Students

Importance/Satisfaction Ratings

1998 Administration Only

- There are various opportunities to serve the community (or humankind) at Berea College

2003 Administration Only

- I feel that there are adequate opportunities for me to provide community and other service

Degrees of Preparation Survey, Spring 2009 First-Year and Senior Students

How often do you use the following sources to inform yourself about current world events?

- U.S.-based media (internet, cable/TV, radio/podcasts, print)
- Non-U.S.-based media (Telemundo, BBC, Al Jazeera, CBC, The Economist, Financial Times)
- Blogs, social networking sites
- Conversations (face-to-face, emailing)

Indicate the importance of the following people in informing you about current world events.

- Family
- Friends, co-workers
- Religious leaders
- Professors, teachers
- Politicians
- New Media (e.g., blogosphere, citizen journalists)
- Mainstream Media (e.g., newspapers, radio, cable TV)
- Scientists, researchers, other professionals

Have you ever done the following?

- Participated in a volunteer service outside the United States

Are you registered to vote?

Please indicate whether you have EVER DONE any of the following

- Informed myself about (read or watched news, watched debates, attended rallies, etc.)
- Discussed political issues about (joined a political organization, blogged, etc.)
- Promoted a candidate for (wore a campaign button, gave money, joined a Facebook group, displayed a bumper sticker, etc.)
- Worked on a campaign in (registered voters, volunteered, canvassed a neighborhood, etc.)
- Voted

Which most accurately reflects your feelings, beliefs, or behaviors related to each item.

- I do not have/have skills to facilitate change on my campus or in the local community
- I am not skillful/skillful at resolving conflicts with people
- I am not skillful/skillful at resolving conflicts that involve bias, discrimination, and prejudice
- I do not have/have the skills to create an environment where members feel included
- People should not/should try not to make a contribution to their community
- People cannot/can play an important role in making the world better
- By working together, people cannot/can influence decisions that affect their community
- Communicating with decision makers does not help people/helps people solve problems facing their community.

Degrees of Preparation Survey, continued:

During the past 12 months, did you participate in activities to help others? (for example, tutor students in elementary or secondary schools, help at a senior citizens center, lead a recycling program).

How frequently do you engage in each activity?/How effectively can you do each activity?

- Create a plan to address an issue or a problem in your community (campus, local, etc.)
- Raise awareness about an issue or a problem
- Organize a group to address an issue or a problem
- Identify others who could help deal with an issue or problem in your community
- Present your opinion about an issue in the media (for example, blog, email, radio call-in, letter to editor)
- Organize a petition

African-American Student Survey, April 2003

Importance/Satisfaction

- Learning through service opportunities

Berea-Specific Exit Survey, Graduating Seniors

How well did your Experience at Berea College help you accomplish the following goals:

- Developing a commitment to service for the common or public good
- Intensifying your habit of service

How well did Berea College help you:

- To learn more about nonviolent conflict resolution

Rate the importance to you of each of the following:

- Working for social change

Berea-Specific Alumni Survey Spring 2010, Graduates from the 1980s, 1990s, and 2000s (with valid e-mail addresses)

Importance to you personally/Contribution made by Berea College toward your personal growth

- Actively participating in community service

Overall, how well did your Berea College experience prepare you for a life of...

- Civic engagement
- Service to others

ACT Alumni Survey, Graduates two years after graduation

How much did your education at this college contribute to your personal growth in each of the following areas?

- Recognizing your rights, responsibilities, and privileges as a citizen

Berea-Specific Items

How much did each of the following aspects of Berea College contribute to your personal growth?

- Service Learning (service as required part of a course)
- Community Service through the Labor Program (i.e. Bonner Scholars, Habitat for Humanity, SFA, people who care, etc.)
- Volunteering through College Community Service Programs
- Participation in Activism (political party work, social justice activities, environmental action projects, etc.)

ACT Appalachian Region Alumni Outcomes Survey, 1974-76, 1984-86, 1994-96 Graduates

Indicate your opinion of the importance of each of the following skills and competencies in your current endeavors. Indicate the contribution that your experiences at this college made to your growth in each area

- Actively participating in volunteer/community service

Indicate your level of involvement while attending this college in:

- Other volunteer/community service

Berea-Specific Items

Indicate your agreement with the following statements:

- Participation in the work/labor program increased my ability to participate in community service after graduation
- I believe my experience in the college work/labor program helped me to understand the importance or providing community service after college.
- My overall educational cost was decreased by work/labor program participation

ACT Alumni Outcomes Survey, Fall 2010 (Work Colleges Consortium), Graduates 1992-93 through 2006-07

Which best describes the type of organization by which you are now employed.

Importance of skills/Impact of your experiences at this school

- Appreciating and exercising my rights, responsibilities, and privileges as a citizen
- Understanding the interaction of human beings and the environment
- Understand international issues (political, economic, etc.)
- Actively participating in community service

To what degree do you agree with the following statement concerning the Work Program? My Work Program Experience...

- Helped me to become more involved in my community
- Helped me to learn the importance of service to others
- Helped me to understand the importance of providing community service after college

ACT Alumni Outcomes Survey, Fall 2010 (Work Colleges Consortium), continued:

For each type of activity or organization listed below, indicate your level of involvement while you were attending this school. Then indicate your level of involvement in that activity or organization at the current time.

- Professional
- Religious
- Service
- Environmental
- Political
- Social
- Cultural
- Youth-orientated (including sports)
- Sports/athletics (adult level)
- K-12 level schools (e.g., PTA)
- Community

Cooperative Institutional Research Program (CIRP)

(Entering Fall Term Students)

Administered Fall Terms 2002, 2004, 2006, 2008,
2010, 2012, 2014, 2016, 2018, and 2020

[Select to see survey instruments](#)

Response Rates:			
2002	87.6%	2004	93.2%
2006	85.6%	2008	89.6%
2010	87.0%	2012	76.0%
2014	84.0%	2016	74.7%
2018	64.0%	2020	74.0%

Cooperative Institutional Research Program (CIRP), Fall 2010, 2012, 2014, 2016, 2018, and 2020

(Based on First-Year Students Only; does not include New Transfer Students)

Construct: Social Agency - Measures the extent to which students value political and social involvement as a personal goal.

Survey items included in the construct, Social Agency:

Indicate the importance to you personally of each of the following: (Essential, Very Important, Somewhat Important, Not Important)

- Participating in a community action program
- Helping to promote racial understanding
- Becoming a community leader
- Influencing social values
- Helping others who are in difficulty
- Keeping up to date with political affairs

*Comparison institutions are high-selectivity private nonsectarian 4-year institutions.

Selectivity is based on median SAT Critical Reading + Math scores and/or ACT composite scores of the entering class as reported to IPEDS.

NOTE: "Low" represents students who are one-half standard deviation below the construct, Social Agency, mean. "Average" represents students whose scores are within one-half standard deviation of the construct mean. "High" represents students who are one-half standard deviation or more above the construct mean.

Response Rates: 2010: 87%; 12: 76%; 14: 84%; 16: 75%; 18: 64%; 20: 74%.

NOTE: Fall 2020 had a smaller first-year student class due to COVID-19.

Cooperative Institutional Research Program (CIRP), Fall 2010, 2012, 2014, 2016, 2018, and 2020

(Based on First-Year Students Only; does not include New Transfer Students)

Construct: Likelihood of College Involvement - *A unified measure of the students' expectations about their involvement in college life generally.*

Survey items included in the construct, **Likelihood of College Involvement**:

What is your best guess as to the chances that you will: (Very Good Chance, Some Chance, Very Little Chance, No Chance)

- Participate in student clubs/groups
- Participate in volunteer or community service work
- Participate in a study abroad program
- Participate in student government

*Comparison institutions are high-selectivity private nonsectarian 4-year institutions.

Selectivity is based on median SAT Critical Reading + Math scores and/or ACT composite scores of the entering class as reported to IPEDS.

NOTE: "Low" represents students who are one-half standard deviation below the construct, Likelihood of College Involvement, mean. "Average" represents students whose scores are within one-half standard deviation of the construct mean. "High" represents students who are one-half standard deviation or more above the construct mean.

Response Rates: 2010: 87%; 12: 76%; 14: 84%; 16: 75%; 18: 64%; 20: 74%.

NOTE: Fall 2020 had a smaller first-year student class due to COVID-19.

Cooperative Institutional Research Program (CIRP), Fall 2012, 2014, 2016, 2018, and 2020

(Based on First-Year Students Only; does not include New Transfer Students)

Construct: Civic Engagement - Measures the extent to which students are motivated and involved in civic, electoral, and political activities.

Survey items included in the construct, Civic Engagement:

Indicate activities you did in the last year:

- Demonstrated for a cause (e.g. boycott, rally, protest).
- Publicly communicated my opinion about a cause (e.g., blog, email, petition).
- Helped raise money for a cause or campaign
- Performed volunteer work

Indicate the importance to you personally of each of the following: (Essential, Very important, Somewhat important, Not important)

- Influencing social values
- Keeping up to date with political affairs

*Comparison institutions are high-selectivity private nonsectarian 4-year institutions.

Selectivity is based on median SAT Critical Reading + Math scores and/or ACT composite scores of the entering class as reported to IPEDS.

NOTE: "Low" represents students who are one-half standard deviation below the construct, Likelihood of College Involvement, mean. "Average" represents students whose scores are within one-half standard deviation of the construct mean. "High" represents students who are one-half standard deviation or more above the construct mean.

Response Rates: 2012: 76%; 14: 84%; 16: 75%; 18: 64%; 20: 74%.

NOTE: Fall 2020 had a smaller first-year student class due to COVID-19.

Source: Office of Institutional Research and Assessment, February 2021

Theme: Civic Engagement: Participation, Awareness, and Values -- *These items relate to the levels of engagement and satisfaction with community and volunteer work in high school, as well as items that reflect future orientation towards volunteer and community service.*

- In the past year, how often have you:
(*Frequently = 3, Occasionally = 2, Not at all = 1*)
 1. Demonstrated for a cause (e.g., boycott, rally, protest)
 2. Performed volunteer work
 3. Discussed politics
 4. Publicly communicated my opinion about a cause (e.g. blog, email, petition)
 5. Helped raise money for or a cause or campaign

- How would you rate yourself in the following areas:
(*A Major Strength = 5, Somewhat Strong = 4, Average = 3, Somewhat Weak = 2, A Major Weakness = 1*)
 1. Ability to see the world from someone else's perspective
 2. Tolerance of others with different beliefs
 3. Openness to having my own views challenged
 4. Ability to discuss and negotiate controversial issues
 5. Ability to work cooperatively with diverse people

- Please indicate the importance to you personally of each of the following:
(*Essential = 4, Very Important = 3, Somewhat Important = 2, Not Important = 1*)
 1. Influencing social values
 2. Helping others who are in difficulty
 3. Participating in a community action program
 4. Helping to promote racial understanding
 5. Keeping up to date with political affairs
 6. Becoming a community leader

- What is your best guess as to the chances that you will:
(*Very Good Chance = 4, Some Chance = 3, Very Little Chance = 2, No Chance = 1*)
 1. Participate in student government
 2. Vote in a local, state, or national election
 3. Participate in volunteer or community service work

THEME: Civic Engagement: Participation, Awareness, Values

(Based on First-Year Students Only)

For the activities below, indicate which ones you did during the past year.

*Selectivity is based on median SAT Critical Reading/Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

**Difference is statistically significant.

THEME: Civic Engagement: Participation, Awareness, Values

(Based on First-Year Students Only)

How would you rate yourself in the following areas:

*Selectivity is based on median SAT Critical Reading/Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

**Difference is statistically significant.

THEME: Civic Engagement: Participation, Awareness, Values

(Based on First-Year Students Only)

Please indicate the importance to you personally of each of the following:

*Selectivity is based on median SAT Critical Reading/Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

**Difference is statistically significant.

THEME: Civic Engagement: Participation, Awareness, Values

(Based on First-Year Students Only)

*Selectivity is based on median SAT Critical Reading + Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

Rate your agreement with each of the following.

The federal government should do more to control the sale of handguns

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who “agree strongly” or “agree somewhat” that:
**The federal government should do more
to control the sale of handguns**

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

Rate your agreement with each of the following.

The federal government should have stricter gun control laws

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who “agree strongly” or “agree somewhat” that:
**The federal government should have
stricter gun control laws**

Percent of students who agree “strongly” or “somewhat” that:

The federal government should have stricter gun control laws

In the past year, how often have you:

Performed volunteer work

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Performed volunteer work
(during the past year)

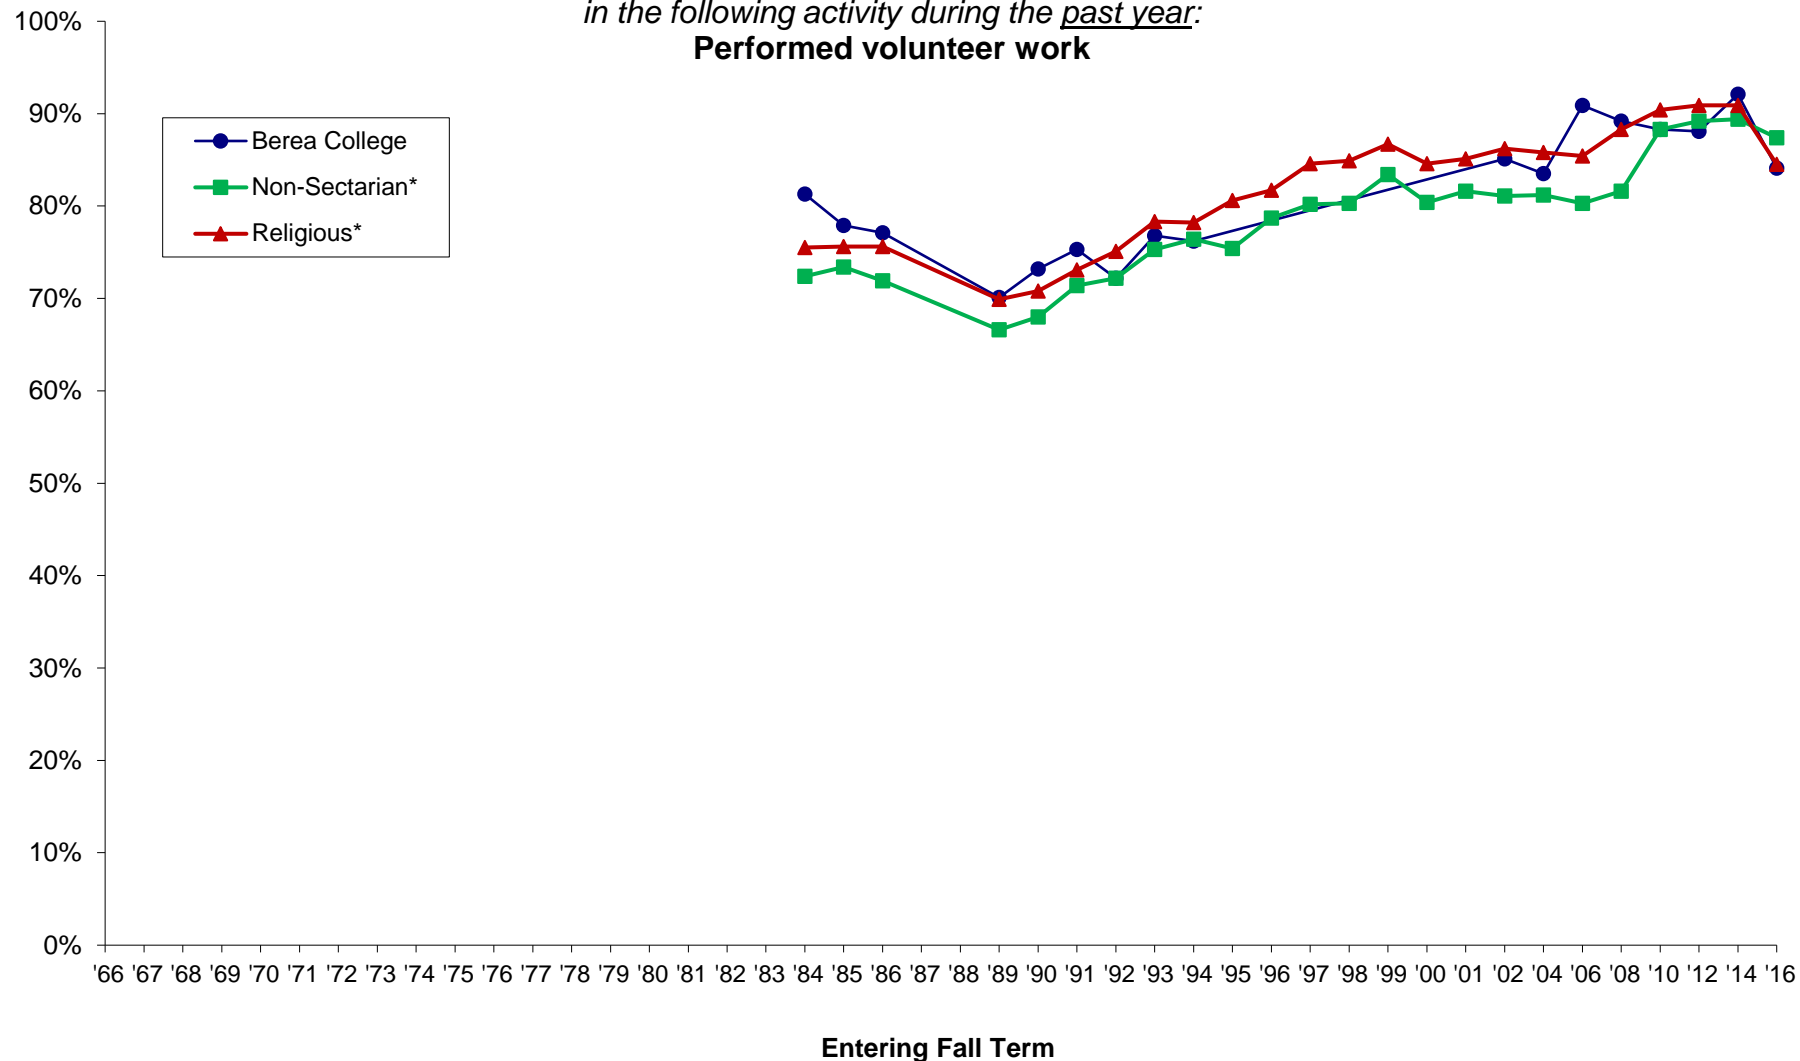

Percent of students who indicated “frequently” or “occasionally”

Performed volunteer work

(during the past year)

Percent of students who indicated that they "frequently" or "occasionally" engaged in the following activity during the past year:
Performed volunteer work

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Discussed politics

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently”

Discussed politics

(during the past year)

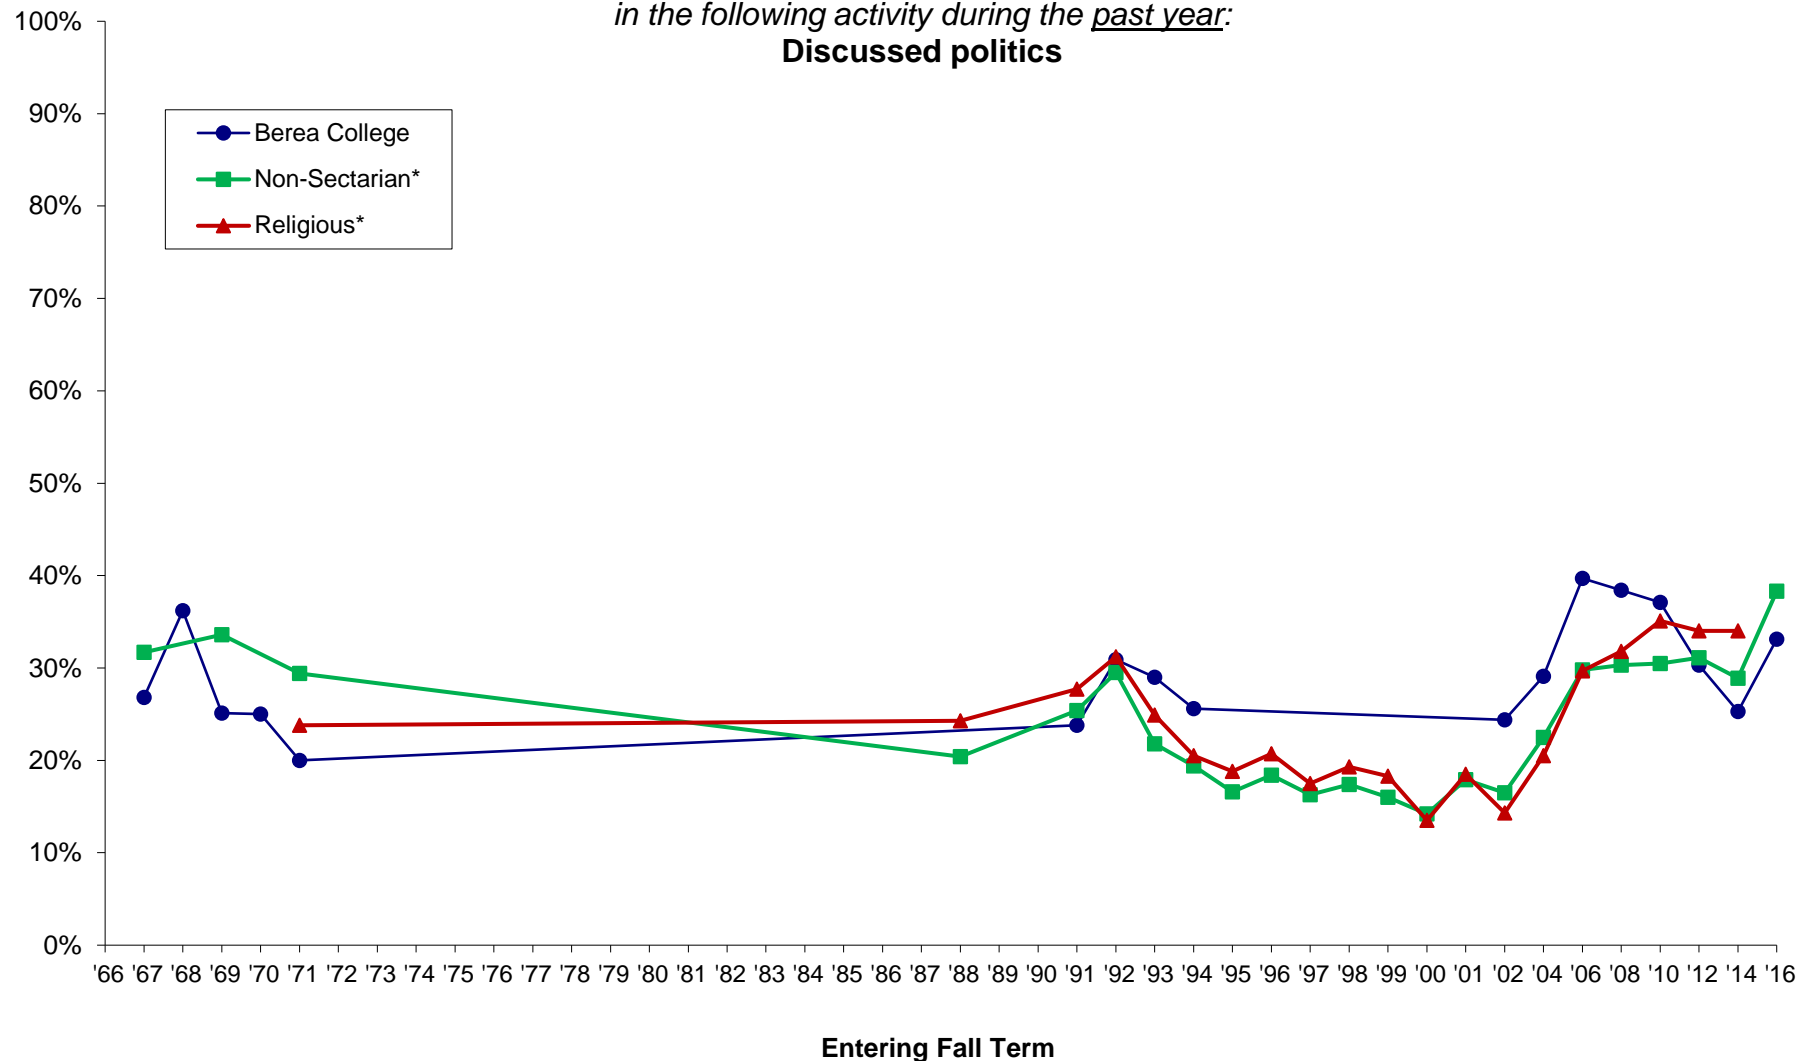

Percent of students who indicated “frequently” or “occasionally”

Discussed politics

(during the past year)

Percent of students who indicated that they "frequently" engaged in the following activity during the past year:
Discussed politics

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Voted in a student election

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently”
Voted in a student election
(during the past year)

Percent of students who indicated “frequently” or “occasionally”

Voted in a student election

(during the past year)

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Bera was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Bera did not participate from 1995 through 2001; beginning in 2002, Bera participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Demonstrated for a cause (e.g., boycott, rally, protest)
(previously worded *Participated in political demonstrations/Participated in organized demonstrations and Demonstrated for/against a cause*)

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Demonstrated for a cause (e.g., boycott, rally, protest)
(during the past year)

■ Berea ■ Non-Sectarian

NOTE: Previously worded: Participated in political demonstrations/Participated in organized demonstrations and Demonstrated for/against a cause.

Percent of students who indicated “frequently” or “occasionally”
Demonstrated for/against a cause
(during the past year)

Percent of students who indicated that they "frequently" or "occasionally" engaged in the following activity during the past year:
Demonstrated for a cause (e.g., boycott, rally, protest)

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Helped raise money for a cause or campaign

Item added in 2010.

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Helped raise money for a cause or campaign

Percent of students who indicated “frequently” or “occasionally”

Helped raise money for the cause or campaign

(during the past year)

Cooperative Institutional Research Program (CIRP), First-Year Student Trends from 1966 through 2016

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

Indicate how often you engaged in the activity below during the past year.

Performed community service as a part of the class

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Performed community service as part of a class
(during the past year)

Cooperative Institutional Research Program (CIRP), First-Year Student Trends from 1966 through 2016

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Publicly communicated my opinion about a cause (e.g. blog, email, petition)

Item added in 2010.

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Publicly communicated my opinion about a cause
(e.g., blog, e-mail, petition)

(during the past year)

■ Berea ■ Non-Sectarian

Item added in 2010.

Cooperative Institutional Research Program (CIRP), Entering First-Year and New Transfer Students Fall 2016
Percent of students who indicated “frequently” or “occasionally”

Publicly communicated my opinion about a cause (e.g. blog, email, petition)

(during the past year)

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

Indicate how often you engaged in the activity below during the past year.

Worked on a local, state, or national political campaign

Item added in 2004.

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Worked on a local, state, or national political campaign
(during the past year)

Percent of students who indicated that they "frequently" or "occasionally" engaged in the following activity during the past year:
Worked on a local, state, or national political campaign

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

During your last year in high school, how much time did you spend during a typical week doing the following activities?

Volunteer work

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

During your last year in high school, how much time did you spend during a typical week doing the following activities?

Volunteer work

Response Rates:			
1989	65.0%	2004	93.2%
2014	72.2%		

Construct: Civic Minded Practice - A unified measure of faculty involvement in civic activities.

Survey items included in the construct, **Civic Minded Practice**:

*During the past two years, have you engaged in any of the following activities:
 (Yes, No)*

- Collaborated with the local community in research/teaching
- Advised student groups involved in service/volunteer work
- Engaged in public service/professional consulting without pay?

*During the present term, how many hours per week on average do you actually spend on each of the following activities:
 (None, 1-4, 5-8, 9-12, 13-16, 17-20, 21+)*

- Community or public service

*In how many of the courses that you teach do you use each of the following:
 (All, Most, Some, None)*

- Community service as part of coursework

For each of the following items, please mark either Yes or No:

- Do you use your scholarship to address local community needs?

NOTE: "Low" represents faculty rating that are 0.5 standard deviation below the construct mean for Undergraduate Education Goal: Personal Development. "Average" represents faculty ratings that are within 0.5 standard deviation of the construct mean. "High" represents faculty ratings that are 0.5 standard deviation or more above the construct mean.

Construct: Civic Minded Values - A unified measure of the extent to which faculty believe civic engagement is a central part of the college mission.

Survey items included in the construct,

Civic Minded Values:

Indicate the importance to you of each of the following education goals for undergraduate students:

(Essential, Very Important, Somewhat Important, Not Important)

- Encourage students to become agents of social change
- Instill in students a commitment to community service

*Please indicate your agreement with each of the following statements:
 (Agree Strongly, Agree Somewhat, Disagree Somewhat, Disagree Strongly)*

- Colleges have a responsibility to work with their surrounding communities

NOTE: "Low" represents faculty ratings that are 0.5 standard deviation below the construct mean for Undergraduate Education Goal: Personal Development. "Average" represents faculty ratings that are within 0.5 standard deviation of the construct mean. "High" represents faculty ratings that are 0.5 standard deviation or more above the construct mean.

During the current school year, about how often had you had discussions with

NOTE: Comparison groups are based on Berea's Carnegie classification at the time the survey is administered. Baccalaureate-General are institutions that confer at least half of its degrees in the professional fields. Berea College was in this category in 2003. Baccalaureate - Arts and Sciences are institutions that confer at least half of its degrees in the Arts and Sciences (non-professional fields). Berea College is in this category currently.

About how many of your courses at this institution have included a community-based project (service-learning)?

NOTE: Comparison groups are based on Berea's Carnegie classification at the time the survey is administered. Baccalaureate-General are institutions that confer at least half of its degrees in the professional fields. Berea College was in this category in 2003. Baccalaureate - Arts and Sciences are institutions that confer at least half of its degrees in the Arts and Sciences (non-professional fields). Berea College is in this category currently.

About how many hours do you spend in a typical 7-day week doing the following?

Doing community service or volunteer work

NOTE: Comparison groups are based on Berea's Carnegie classification at the time the survey is administered. Baccalaureate-General are institutions that confer at least half of its degrees in the professional fields. Berea College was in this category in 2003. Baccalaureate - Arts and Sciences are institutions that confer at least half of its degrees in the Arts and Sciences (non-professional fields). Berea College is in this category currently.

How much does your institution emphasize the following?

Attending events that address important social, economic, or political issues

NOTE: Comparison groups are based on Berea's Carnegie classification at the time the survey is administered. Baccalaureate-General are institutions that confer at least half of its degrees in the professional fields. Berea College was in this category in 2003. Baccalaureate - Arts and Sciences are institutions that confer at least half of its degrees in the Arts and Sciences (non-professional fields). Berea College is in this category currently.

How much has this institution contributed to your knowledge and development in

Being an informed and active citizen

NOTE: Comparison groups are based on Berea's Carnegie classification at the time the survey is administered. Baccalaureate-General are institutions that confer at least half of its degrees in the professional fields. Berea College was in this category in 2003. Baccalaureate - Arts and Sciences are institutions that confer at least half of its degrees in the Arts and Sciences (non-professional fields). Berea College is in this category currently.

During the current school year, about how often have you written something that:

Discussed or debated an issue of social, political, or philosophical importance

NOTE: Comparison groups for this additional module, Development of Transferable Skills, are based on all module participants in 2014 (N = 136 institutions).

During the current school year, about how often have you written something that:

Discussed the ethical consequences of a course of action

NOTE: Comparison groups for this additional module, Development of Transferable Skills, are based on all module participants in 2014 (N = 136 institutions).

To what extent do you agree or disagree with the following statements?

Participated in a demonstration for a diversity-related cause (rally, protest, etc.)

Select the response that best represents your ability to do the following:

Help people resolve their disagreements with each other

Select the response that best represents your ability to do the following:

Resolve conflicts that involve bias, discrimination, and prejudice

Select the response that best represents your ability to do the following:

Lead a group in which people from different backgrounds feel welcomed and included

Select the response that best represents your ability to do the following:

Participate in a constructive dialogue with someone who disagrees with you

Select the response that best represents your ability to do the following:

Contribute to the well-being of your community

How much does your institution emphasize the following?

Discussing important social, economic, or political issues with others

How much does your institution emphasize the following?

How much does your institution emphasize the following?

How much does your institution emphasize the following?

Being an informed and active citizen
