

Wellness, Health, and Fitness

Student, Faculty, and Staff Survey Items

Student survey names listed in blue
Faculty and Staff survey names listed in green

Student, Faculty, and Staff Survey Feedback by Topical Area: Wellness, Health, and Fitness (Physical and Mental)

Cooperative Institutional Research Program (CIRP), Entering Fall Term First-Year and New Transfer Students

2020 Theme Report – Includes comparisons with other Non-Sectarian Institutions

Theme: Health and Wellness *these items gauge student behaviors, attitudes, and experiences related to health and wellness issues.*

In the past year, how often have you:

- Consumed beer
- Consumed wine or liquor
- Felt overwhelmed by all I had to do
- Felt depressed
- Felt anxious

Rate yourself on each of the following traits as compared with the average person your age.

- Emotional health
- Physical health

During your last year in high school, how much time did you spend during a typical week doing the following activities?

- Exercising/sports
- Partying (asked in 2002 through 2018)

What is your best guess as to the chances that you will:

- Seek personal counseling

Graphical Report (Recent Trends, 2020, Historical Trends)

Indicate how often you engaged in the activity below during the past year

- Smoked cigarettes (asked in 2002 through 2014)
- Vaped/used e-cigarettes (added in 2020)
- Consumed beer
- Consumed wine or liquor
- Felt overwhelmed by all I had to do
- Felt depressed
- Felt anxious (added in 2016)
- Felt hungry but did not eat because I didn't have enough money for food (added in 2018)

Rate yourself on each of the following traits as compared with the average person your age.

- Emotional health
- Physical health
- Risk-taking (asked in 2002; 2014 through 2020)
- Self-understanding (asked in 2002 through 2014)

During your last year in high school, how much time did you spend during a typical week doing the following activities?

- Exercising/sports
- Partying (asked in 2002 through 2018)

What is your best guess as to the chances that you will:

- Seek personal counseling

Cooperative Institutional Research Program (CIRP), continued:

Berea-Specific Items (added to 2012 CIRP)

Check all of the following that are significant concerns for you

- Academics
- Social life at college
- Being overweight
- Sleeping issues
- Working in a labor position
- Financial problems
- Being away from home
- Not getting enough physical exercise
- Not eating well
- Living in a residence hall (if applicable)
- Being underweight

Check all of the following sleeping issues that are significant concerns for you

- Sleeping too little
- Interrupted sleep
- Sleeping too much
- Other sleeping issues

Rate the importance of the following to you

- Managing stress
- Gaining knowledge and skills necessary to maintain a healthy lifestyle, including physical fitness
- Maintaining healthy sleeping habits
- Eating a nutritionally-sound, well-balanced diet
- Being physically active

How would you describe your general health?

[Entering Student Survey, Entering Fall Term First-Year and New Transfer Students: Fall 2011, 2013, and 2015](#)

Graphical Report

Health Related Issues

Rate the importance of the following to you:

- Eating a nutritionally-sound, well-balanced diet
- Maintaining healthy sleeping habits
- Managing stress
- Being physically active
- Gaining knowledge and skills necessary to maintain a healthy lifestyle, including physical fitness

Check all of the following that are significant concerns for you:

- Being underweight
- Being overweight
- Academics
- Social life at college
- Working in a labor position
- Being away from home
- Living in a residence hall (if applicable)
- Financial problems
- Not getting enough physical exercise
- Not eating well
- Sleeping issues

Check which sleeping issues apply to you:

- Sleeping too much
- Sleeping too little
- Interrupted sleep
- Other, please list

How would you describe your general health?

Rate yourself on the following statements:

- I am able to cope well with stress in my life.
- I take the time to regularly reflect on my emotional well-being.
- I engage in 30 minutes or more per week of at least moderate physical activity.
- I get between 7-9 hours of sleep each night.

Higher Education Research Institute (HERI), Faculty Survey: 1989, 2004, and 2014

2014 Construct Report

Construct: Career Related Stress - *Measures the amount of stress faculty experience related to their career.*

2014 Graphical Report

How satisfied are you with the following aspects of your job?

- Health benefits

Please indicate the extent to which each of the following has been a source of stress for you during the past two years:

- Managing household responsibilities
- Child care
- My physical health
- Review/promotion process
- Subtle discrimination (e.g., prejudice, racism, sexism, homophobia, transphobia)
- Personal finances
- Committee work
- Faculty meetings
- Colleagues
- Students
- Research or publishing demands
- Institutional procedures and “red tape”
- Teaching load
- Lack of personal time
- Job security
- Working with underprepared students
- Self-imposed high expectations
- Change in work responsibilities
- Institutional budget cuts

National Survey of Student Engagement (NSSE), First-Year & Senior Students: Spring 2003, 2007, 2010, 2014, and 2019

How much does your institution emphasize the following?

- Providing support for your overall well-being (recreation, health care, counseling, etc.) (new for 2014)

National Survey of Student Engagement (NSSE), First-Year & Senior Students, continued:

Topical Module: Inclusiveness and Engagement with Cultural Diversity (Asked only during 2019 administration)

How much does your institution provide a supportive environment for the following forms of diversity?

- Racial/ethnic identity
- Gender identity
- Economic background
- Political affiliation
- Religious affiliation
- Sexual orientation
- Disability status

Faculty/Student Comparisons (FSSE/NSSE)

FSSE: How important is it to you that your institution increase its emphasis on each of the following?

NSSE: How much does your institution emphasize the following?

- Providing support for students' overall well-being (recreation, health care, counseling, etc.)

Student Satisfaction Inventory (SSI), All Students: 1998, 2003, 2008, 2013, and 2018

Noel-Levitz Items (National Comparisons with 4-Year Private)

Breakdowns by: All, African-American, International, Male, and Female Students

Satisfaction Ratings

- The staff in the health services area are competent
- Counseling staff care about students as individuals

How satisfied are you that this campus demonstrates a commitment to meeting the needs of:

- Students with disabilities?

Berea-Specific Items

Breakdowns by: All, African-American, International, Male, and Female Students

Rate your agreement with the following statements

- I have trouble forming relationships with peers
- Technology activities for entertainment are interfering with my relationships with others
- I have trouble forming relationships with faculty
- I spend too much time using technology (Netflix, social media, gaming, etc.)
- My mental health is good
- My spiritual health is good
- My physical health is good
- My emotional health is good
- I am managing stress well

Graduating Seniors' Survey (includes ACT College Outcomes Survey)

How much progress have you made toward the following outcome?

- Learning principles for improving physical and mental health

Indicate your level of satisfaction with each of the following.

- Student Health Services (White House Clinic) (formerly "Student health/wellness services")
- Student Wellness Programs (e.g., THRIVE, Fresh Start, etc.)

Historical Survey Data (Prior to 2012)

Cooperative Institutional Research Program (CIRP), Entering Fall Term First-Year and New Transfer Students

Graphical Report

In the past year, how often have you..

- Maintained a healthy diet (asked in 2004)
- Stayed up all night (asked in 2004)
- Missed school because of illness (asked in 2004)

Berea-Specific Entering Survey, Entering Fall Term First-Year and New Transfer Students

Indicate how much help you need in the following areas: Life Skills Development

- Obtaining emotional/psychological help

Indicate how much help you need in the following areas: Career and Educational Planning Skills

- Obtaining special services because of a personal physical handicap

Your First College Year (YFCY), Spring 2005 Follow up to Fall 2004 CIRP

Students reporting they were “satisfied” or “very satisfied” with each of the following at this institution

- Student health center/services
- Psychological counseling services
- Recreational facilities

Percent of students who rated themselves “above average” or “highest 10%” compared with the average person their age in:

- Compassion
- Cooperativeness
- Emotional health
- Forgiveness
- Generosity
- Physical health
- Risk-taking
- Self-confidence (social)
- Self-understanding
- Understanding of others

Percent of students who marked “frequently” or “occasionally”

- Smoked cigarettes
- Drank beer
- Drank wine or liquor
- Felt overwhelmed by all you had to do
- Felt depressed
- Maintained a healthy diet
- Missed school because of illness

Your First College Year (YFCY), continued:

Percentage of students reporting “frequently” or “occasionally” feeling:

- Lonely or homesick
- Worried about meeting new people
- Isolated from campus life
- Unsafe on this campus
- Worried about your health
- Intimidated by your professors
- That your courses inspired you to think in new ways
- That your job responsibilities interfered with your school work
- That your family responsibilities interfered with your schoolwork
- That your social life interfered with your schoolwork
- Concerned about life after college
- Family support to succeed

Percentage of students who “often” or “very often” experience the following with students from a racial/ethnic group other than their own:

- Shared personal feelings and problems
- Had tense, somewhat hostile interactions
- Felt insulted or threatened because of race/ethnicity

Percent of students indicating “frequently” or “occasionally” since entering this college:

- Sought personal counseling
- Went on a date
- Fell asleep in class

African-American Student Study, April 2003

Health Service

- How important are health services to your overall success and well-being at Berea College?
- How much have health services contributed to your overall success and well-being at Berea College?
- How satisfied are you with the services or programs aimed at fulfilling this need (health services)?
- Rate your level of personal need for health services
- To what extent is this need (health services) being met by services at the college?
- How often have you used Berea College Health Service?

Psychological/Counseling Services

- How important are psychological/counseling services to your overall success and well-being at Berea College?
- How much have psychological/counseling services contributed to your overall success and well-being at Berea College?
- How satisfied are you with the services or programs aimed at fulfilling this need (psychological/counseling services)?
- Rate your level of personal need for psychological/counseling services
- To what extent is this need (psychological counseling services) being met by services at the College?
- How often have you used Berea College psychological/counseling services?

Counseling and Psychological Services Survey, All 2006 Students

Please indicate the extent to which each of the following is a PERSONAL PROBLEM FOR YOU currently:

- Choosing/changing a major
- Conflict with parents about choice of major
- Identifying a career
- Feeling overwhelmed with all you have to do
- Adjusting to college (being on your own)
- Decision-making
- Test anxiety
- Study habits
- Time management
- Getting motivate
- Academic pressures
- Problems concentrating
- Speech anxiety – excessive nervousness (sweaty palms, stuttering, mind going blank) when asked to speak in front of a group of people
- Math anxiety
- Homesickness
- Loneliness/feeling isolated
- Breakup/loss of a relationship
- Relationship with partner/spouse
- Relationship with parents
- Relationship with other family members
- Relationship with friends
- Relationship with roommate
- Relationship with peers
- Being ill at ease with people
- Dating concerns
- Afraid of a close relationship
- Communication skills (able to say what you truly feel and think to others)
- Dealing with anger
- Perfectionism (no matter how well you do, it's not good enough)
- Tendency to be insulting to others
- Tendency to be overly negative
- Death of a friend of loved one
- Smoking cigarettes
- Drinking too much wine, liquor, or beer
- Using illegal drugs
- Abuse of prescription drugs
- Bingeing (overeating, followed by efforts to get rid of the food by over-exercising, vomiting, laxatives, etc.)
- Dieting to reduce weight (counting calories, restricting food intake, following one of the popular diet plans such as low carb)
- Weight problems
- Bulimia (intentionally vomiting, over-exercising, using laxatives to get rid of food/calories)

Counseling and Psychological Services Survey, All 2006 Students, continued:

Please indicate the extent to which each of the following is a PERSONAL PROBLEM FOR YOU currently, continued:

- Anorexia (restricting your eating – eating very little or only very specific “safe” foods)
- Physical handicap or disability
- Pregnancy (yours or hers)
- Sleep problems
- Depression
- Anxiety or tension
- Worrying too much
- Stress
- Feeling unworthy or inferior
- Unhappy much of the time
- Thoughts of suicide
- Thoughts of harming others
- Current verbal/emotional abuse
- Past verbal/emotional abuse
- Current physical abuse
- Past physical abuse
- Current sexual abuse
- Past sexual abuse
- Date rape
- Rape/sexual assault (other than date rape)
- Deliberate self-inflicted injuries
- Identifying sexual orientation
- Discrimination based on race, gender, sexual orientation, etc.
- Sexually transmitted disease(s)
- Arrest or legal problems
- Physical assault
- Financial difficulties
- Managing your money
- Over-involved or controlling parents
- Personal experience with racism
- Lack of nurturing parent as a child
- Troubled or lack of relationship with a parent
- A diagnosed learning disability
- A suspicion of a learning disability

ACT Alumni Survey, Graduates two years after graduation

How much did your education at this college contribute to your personal growth in each of the following areas?

- Caring for your own physical and mental health

ACT Appalachian Region Alumni Outcomes Survey, 1974-76, 1984-86, 1994-96 Graduates

How frequently do you smoke cigarettes?

How frequently do you consume alcoholic beverages (i.e. beer, wine, hard liquor)?

How frequently do you engage in aerobic exercise (e.g. running, walking, hiking, swimming)?

Overall, how would you rate your health?

Importance to your current endeavors. Contribution that your experience at this college made to your growth

- Developing a healthy lifestyle

Berea-Specific Alumni Survey, Spring 2010, Graduates from the 1980s, 1990s, and 2000s (with valid email addresses)

Importance to you personally/Contribution made by Berea College toward your personal growth

- Developing a healthy lifestyle

Overall, how did your Berea College experiences prepare you for a life of...

- Health and well-being

ACT Alumni Outcomes Survey, Fall 2010 (Work College Consortium) Graduates 1992-93 through 2006-07

First, indicate your opinion of the importance of the skill and individual 's efforts to be personally/professionally successful in today's world. Then, indicate the impact of your experiences at this school on your attainment of each skill.

- Developing a healthy lifestyle

Rate this college on each of the factors below, using the scale provided

- Sense of individual belonging on this campus

Indicate your level of satisfaction with each aspect of this school listed below

- Campus response to needs of physically challenged individuals
- Concern to me as an individual

Cooperative Institutional Research Program (CIRP)

(Entering Fall Term Students)

Administered Fall Terms 2002, 2004, 2006, 2008,
2010, 2012, 2014, 2016, 2018, and 2020

[Select to see survey instruments](#)

Response Rates:			
2002	87.6%	2004	93.2%
2006	85.6%	2008	89.6%
2010	87.0%	2012	76.0%
2014	84.0%	2016	74.7%
2018	64.0%	2020	74.0%

Theme: Health and Wellness -- *These items gauge student behaviors, attitudes, and experiences related to health and wellness issues.*

- In the past year, how often have you:
(*Frequently = 3, Occasionally = 2, Not at all = 1*)
 1. Consumed beer
 2. Consumed wine or liquor
 3. Felt overwhelmed by all I had to do
 4. Felt depressed
 5. Felt anxious

- Rate yourself on each of the following traits as compared with the average person your age:
(*Highest 10% = 5, Above Average = 4, Average = 3, Below Average = 2, Lowest 10% = 1*)
 1. Emotional Health
 2. Physical Health

During your last year in high school, how much time did you spend during a typical week doing the

- following activities?
(*None = 0, Less than 1 hour = 1, 1-2 = 2, 3-5 = 3, 6-10 = 4, 11-15 = 5, 16-20 = 6, Over 20 = 7*)
 1. Exercising/sports

- What is your best guess as to the chances that you will:
(*Very Good Chance = 4, Some Chance = 3, Very Little Chance = 2, No Chance = 1*)
 1. Seek personal counseling

THEME: Health and Wellness

(Based on First-Year Students Only)

For the activities below, indicate which ones you did during the past year.

*Selectivity is based on median SAT Critical Reading/Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

**Difference is statistically significant.

THEME: Health and Wellness

(Based on First-Year Students Only)

What is your best guess as to the chances that you will:

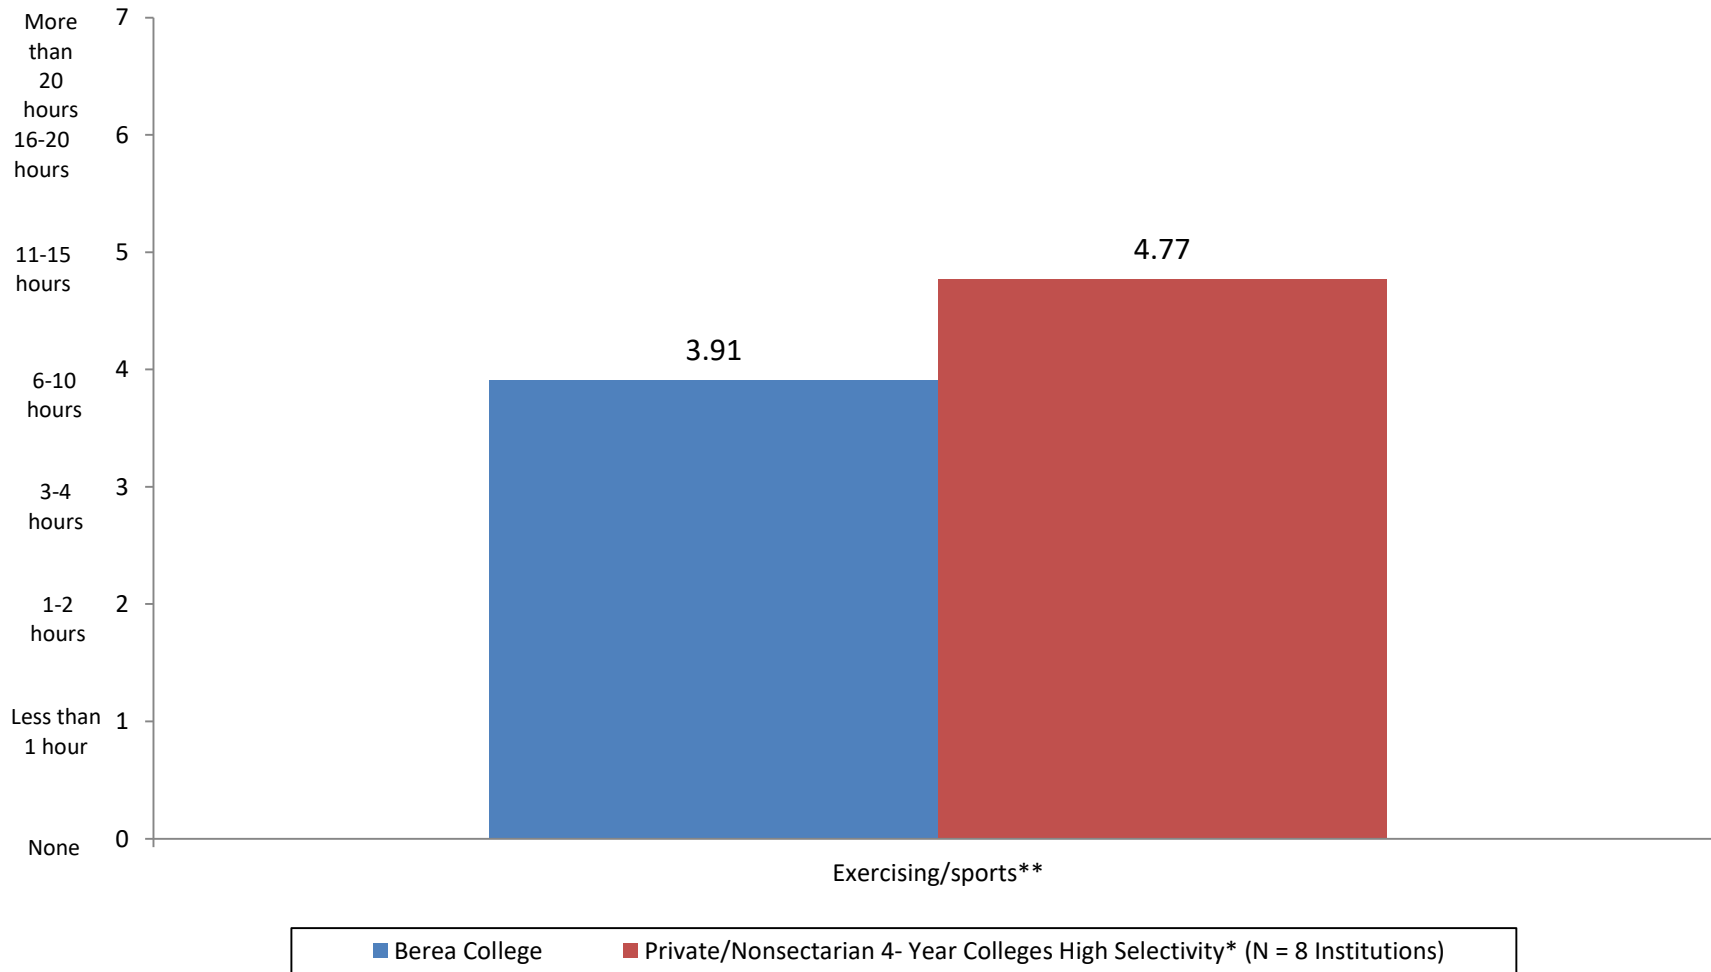

■ Berea College ■ Private/Nonsectarian 4- Year Colleges High Selectivity* (N = 8 Institutions)

*Selectivity is based on median SAT Critical Reading + Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

THEME: Health and Wellness

(Based on First-Year Students Only)

During your last year in high school, how much time did you spend during a typical week doing the following activities?

*Selectivity is based on median SAT Critical Reading/Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

**Difference is statistically significant.

THEME: Health and Wellness

(Based on First-Year Students Only)

Rate yourself on each of the following traits as compared with the average person your age.

*Selectivity is based on median SAT Critical Reading/Math scores and/or ACT Composite scores of the entering class as reported to IPEDS.

**Difference is statistically significant.

Indicate how often you engaged in the activity below during the past year.

Smoked cigarettes

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently”
Smoked cigarettes
(during the past year)

Percent of students who indicated that they "frequently" engaged in the following activity during the past year:
Smoked cigarettes

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Consumed beer (previously worded as: *Drank beer*)

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”

Consumed beer

(during the past year)

NOTE: Previously worded: Drank beer.

Percent of students who indicated “frequently”

Consumed beer

(during the past year)

Percent of students who indicated that they "frequently" or "occasionally" engaged in the following activity during the past year:
Drank beer

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Consumed wine or liquor (previously worded as: *Drank wine or liquor*)

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”
Consumed wine or liquor
(during the past year)

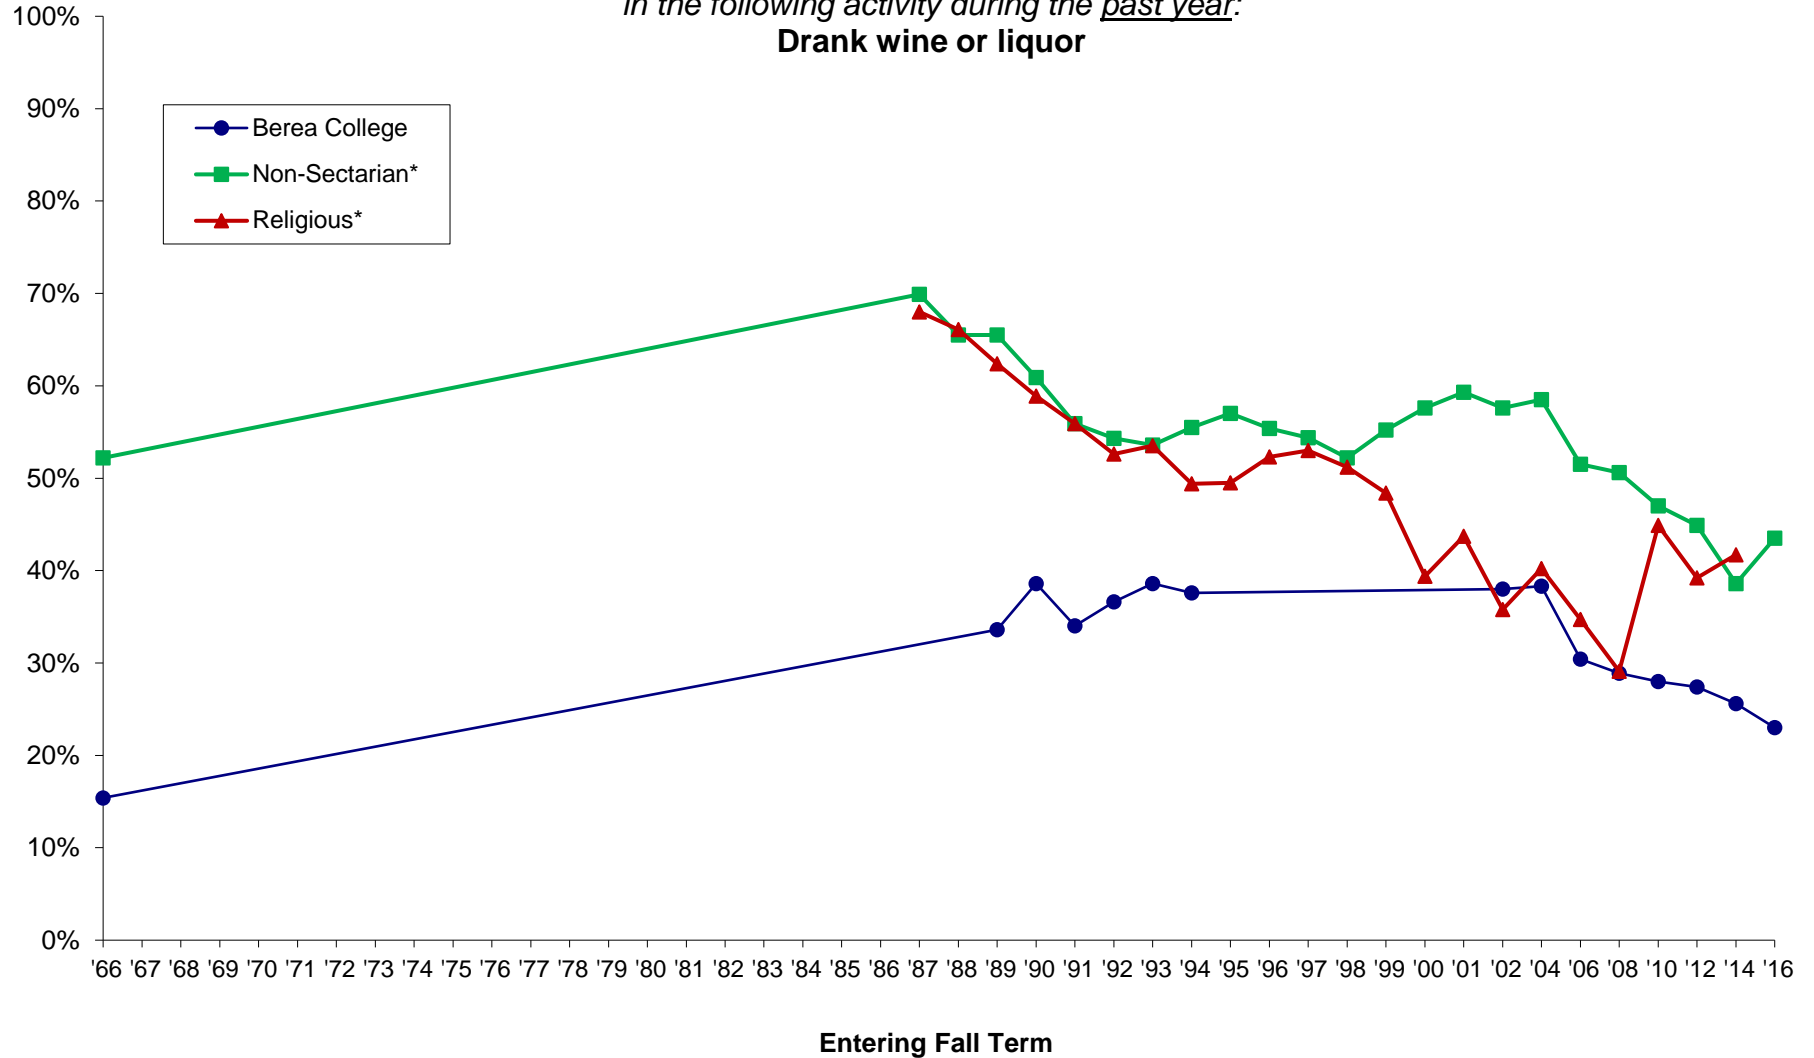

NOTE: Previously worded: Drank wine or liquor.

Percent of students who indicated “frequently”
Consumed wine or liquor
(during the past year)

Percent of students who indicated that they "frequently" or "occasionally" engaged in the following activity during the past year:
Drank wine or liquor

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Felt overwhelmed by all I had to do

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently”
Felt overwhelmed by all I had to do
(during the past year)

Percent of students who indicated “frequently”

Felt overwhelmed by all I had to do

(during the past year)

*Percent of students who indicated that they "frequently" engaged
in the following activity during the past year:*
Felt overwhelmed by all I had to do

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Felt depressed

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently”
Felt depressed
(during the past year)

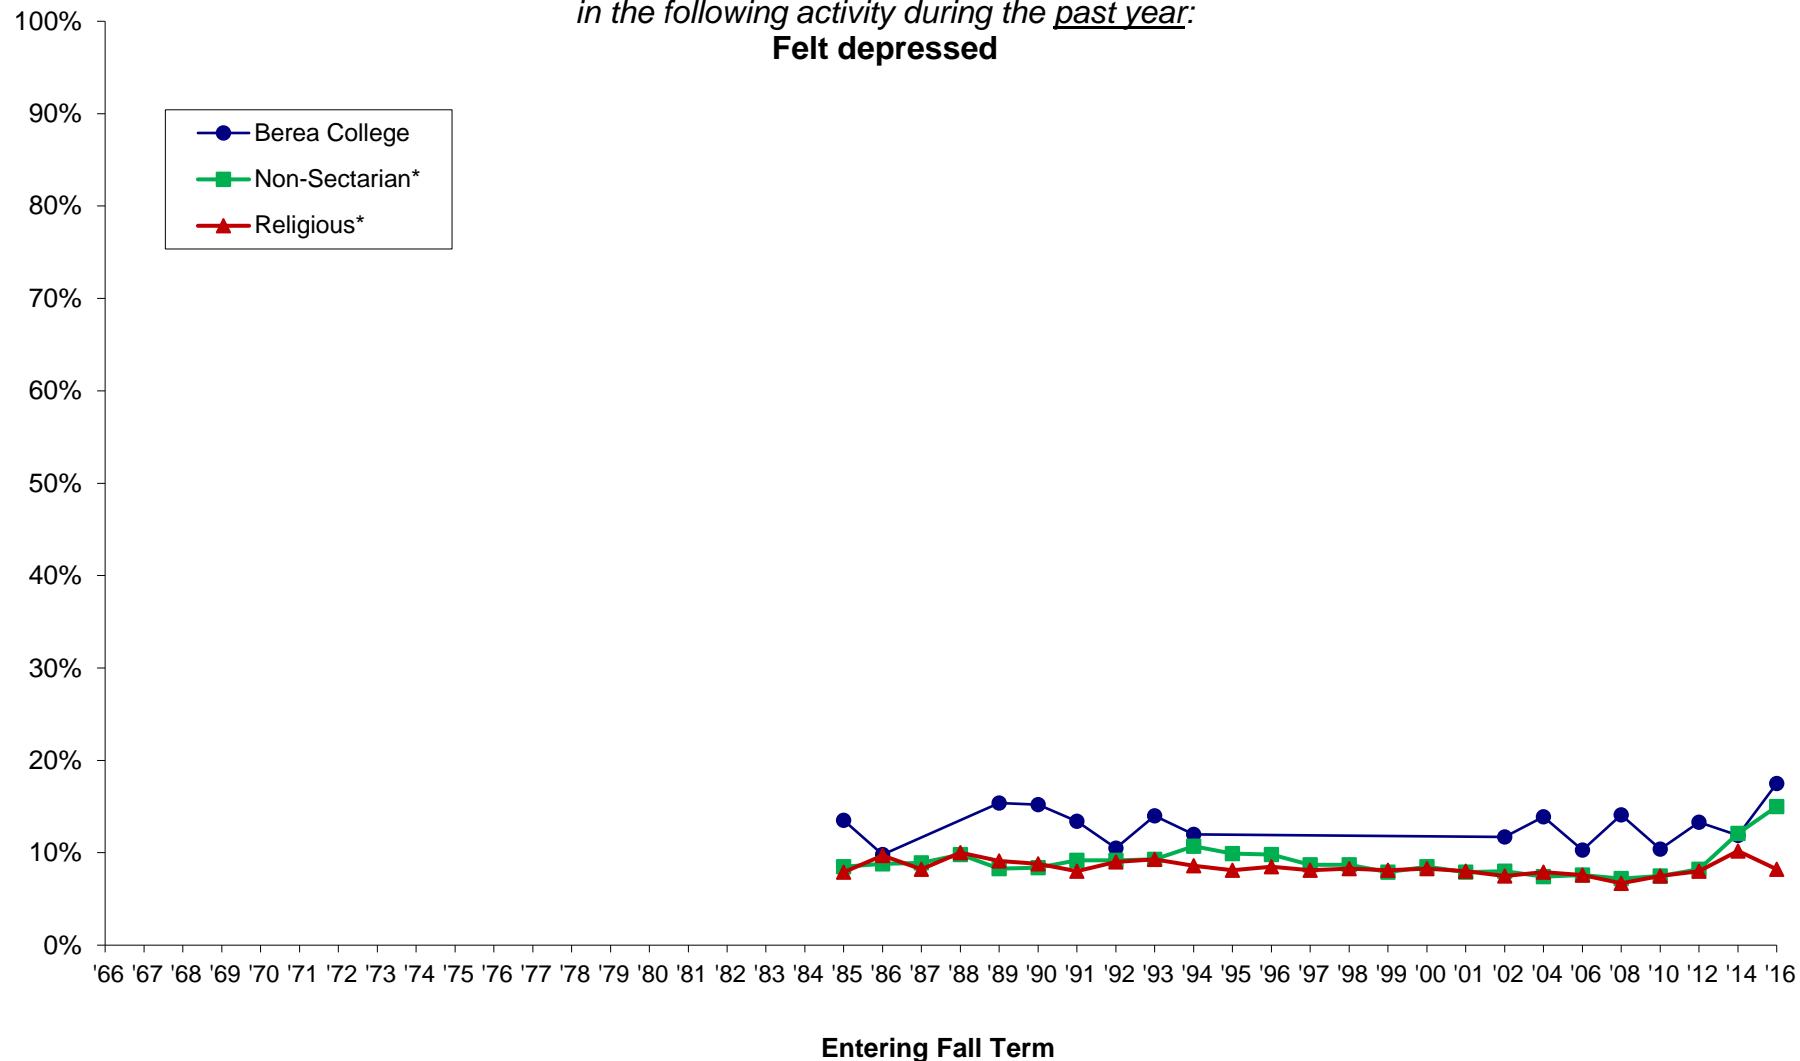

Percent of students who indicated “frequently”

Felt depressed

(during the past year)

*Percent of students who indicated that they "frequently" engaged
in the following activity during the past year:*
Felt depressed

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

In the past year, how often have you:

Felt anxious

Item added in 2016.

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who indicated “frequently” or “occasionally”

Felt Anxious

(during the past year)

■ Berea ■ Non-Sectarian

Item added in 2016

Percent of students who indicated “frequently”

Felt anxious

(during the past year)

Rate yourself on each of the following traits as a compared with the average person your age.

Based on first-year and new transfer student data from the Cooperative Institutional Research Program (CIRP), administered in even Fall Terms during orientation week.

Percent of students who rated themselves in “highest 10%” or “above average” as compared with the average person their age in:

Emotional health

Percentage of students who rated themselves in the “highest 10%” or “above average” as compared with the average person his/her age in:

Emotional Health

*Comparison groups used are based selectivity (which is grouped by median SAT Verbal + Math scores and/or ACT composite scores of the entering class as reported to IPEDS). Berea was in the medium selectivity until 2008 when it moved to the high selectivity category.

NOTE: Missing data occurs because Berea did not participate from 1995 through 2001; beginning in 2002, Berea participates every other Fall Term. Also, some survey items have been added or deleted over the years.

Rate yourself on each of the following traits as a compared with the average person your age.

Construct: Career Related Stress - Measures the amount of stress faculty experience related to their career.

Survey items included in the construct,
Career Related Stress:

*Please indicate the extent to which each of the following has been a source of stress for you during the last two years:
 (Extensive, Somewhat, Not at All, Not Applicable)*

- Lack of personal time
- Teaching load
- Committee work
- Institutional procedures/red tape
- Colleagues
- Research or publishing demands
- Self-imposed high expectations
- Students

NOTE: "Low" represents faculty rating that are 0.5 standard deviation below the construct mean for Undergraduate Education Goal: Personal Development. "Average" represents faculty ratings that are within 0.5 standard deviation of the construct mean. "High" represents faculty ratings that are 0.5 standard deviation or more above the construct mean.

2020-21: 38%		

NOTE: In 2002-03 through 2011-12, we used the ACT College Outcomes Survey (ACT is no longer offering this service).

Because of the COVID-19 Pandemic, Berea College looked very different in academic year 2020-21. Students were given the option to return in person (with restrictions) or take classes online. No in-person graduation ceremonies were held. The survey was administered in electronic format only.

How much **progress** have you made toward the following outcome:

Graduating Senior Survey
Administered at graduation rehearsal

*Due to the COVID-19 Pandemic, survey was administered online.

Indicate your level of satisfaction with each of the following:

Graduating Senior Survey
Administered at graduation rehearsal

*Due to the COVID-19 Pandemic, survey was administered online.

Indicate your level of satisfaction with each of the following:

Graduating Senior Survey
Administered at graduation rehearsal

Student Wellness Programs (e.g., THRIVE, Fresh Start, etc.)

Item added in 2016-17.

*Due to the COVID-19 Pandemic, survey was administered online.

Berea-Specific Alumni Survey

(Graduates from the 1980s, 1990s, and
2000s with valid e-mail addresses)

2000 ACA Alumni Survey
BEREA COLLEGE
ADDITIONAL QUESTIONS 1-15

DIRECTIONS: Respond to the questions below by marking **ONLY ONE** response for each beginning with Question 1, on the *ACA Alumni Survey* form.

For items 1-13, use the following scale.

- A. Strongly agree**
- B. Agree**
- C. Neither agree or disagree**
- D. Disagree**
- E. Strongly disagree**

1. My overall educational cost was decreased by work/labor program participation.
 2. Participation in the work/labor program increased my ability to continue my education after graduation.
 3. Participation in the work/labor program increased my ability to participate in community service after graduation.
 4. I believe my experience in the college work/labor program helped me to understand the importance of providing community service after college.
 5. The Berea College labor program positively influenced my later work life.
 6. The Berea College convocations program positively influenced my later interest in various cultural and other intellectual pursuits.
 7. My overall experience at Berea College influenced me positively in regard to serving my community.
 8. My overall experience at Berea College has contributed to a generally positive view of life.
 9. Compared to my co-workers who have college degrees, I believe my education at Berea better prepared me for my work.
 10. My Berea College experience helped me to _ develop an appreciation of and respect for the experiences of others, especially in terms of race, gender, religion, language, class, cultures, and societies.
 11. It was important to my decision to attend Berea College that it had a Christian self-understanding that welcomes "all people of the earth."
 12. My Berea College experience helped me to _ strengthen my ethical, religious and/or spiritual consciousness.
 13. My Berea College experience helped me to _ develop the intellectual ability to address complex problems from multiple disciplines and perspectives.
-

14. What is your perception of Berea College in terms of the financial need of the institution in supporting the students it serves?

- A. Berea College needs my support no matter how large or small an amount I could give.
- B. Berea College does not need my support unless I could give a large amount.
- C. Because of other funding sources, Berea College does not need support from me at all.

15. What would encourage you to increase your level of support or begin to support the College financially?

- A. A personal note from someone I knew at Berea (a teacher, labor supervisor, etc.)
- B. A news story that described the need of the College and how it allocates its money.
- C. I don't know.

Thank you!
