# **Berea College Account Passphrase Guidelines**

## **Information Systems and Services**

(effective Dec. 2016)

## Length/History

Must be at least 10 characters long and cannot be one of the last 6 passphrases used.

### Complexity

Must contain characters from at least three of the following four categories:

- 1. English uppercase characters (A Z)
- 2. English lowercase characters (a z)
- 3. Base 10 digits (0 9)
- 4. Non-alphanumeric (\*, %, +)

### **Dictionary**

Passphrases cannot contain easily guessable words such as "Berea", "Fall 2016", or "Password", and they cannot contain the user display name or username.

#### **Patterns**

Passphrases cannot contain character patterns like "abcde", horizontal keyboard patterns like "qwerty", repeating patterns like "passwordpassword", or repeating characters like "aa".

## **Expiration**

Network passphrases expire every 120 days.

#### **Character Restrictions**

If you use *Nolij*, your passphrase cannot contain the @ symbol. Otherwise, your passphrase can include any special characters.

### **Recommended Best Practices**

Since updating passphrase/password is a complex process, please see <a href="here">here</a> for recommended best practices for Berea College.
