\*Federal Grants have a Catalog of Federal Domestic Assistance (CFDA) #, which can be found through a search on the program name at <https://sam.gov/content/assistance-listings>. State Grants can be found on the state government’s website by searching the name of the grant in the search bar. When it is unknown if a grant is federal, state, pass-through or private – please contact the funder, who will be able to assist in determining the funding stream.
