

2021-2022 LAW, ETHICS, AND SOCIETY MINOR

(Minimum of five course credits)

No more than two (2) courses from the same rubric can be used to satisfy the requirements for the LES minor.

The Law, Ethics, and Society minor provides opportunities for coherent, disciplines, and multi-disciplinary study of law that is rooted in the liberal arts and the aims of liberal learning. Paramount purposes include students developing careful, normative understandings of law, justice, and society, both in the United States and internationally. This approach aims to supplement and complement students' major disciplinary study, whether they are preparing to enter graduate study or the world of work beyond Berea.
