I have reviewed the Bike Safety information on the Berea College Office of Sustainability Berea Bike Club page prior to bike pickup and have received training on how to properly lock my bike.

I acknowledge receiving:

- Berea College Bike for Rental
- Lock with key

### POLICIES

I understand it is my responsibility **to lock my bike at all times** with the provided lock and in the unfortunate event that it is stolen, to report the theft to Public Safety and the Office of Sustainability Bike Club email ([bike\\_club@bera.edu](mailto:bike_club@bera.edu)) the same day it is stolen.

- **To date, NO fleet bikes nor surplus bikes have been stolen that were locked with the lock you are being provided. All bikes stolen to date have been unlocked. *There are bike thieves both on campus and in the Berea community.***

I understand that the Office of Sustainability will perform random spot checks around campus to ensure bikes are locked properly. If my bike is found unattended and unlocked, it will be returned to the Office of Sustainability and **I forfeit my privilege to rent a bike thru this program.**

I also understand that it is my responsibility to return my bike in a timely manner at the end of each term. The deadline for bike returns will be sent out multiple times via email, and usually occurs **two weeks** before residence hall move-outs. If I fail to return my bike by that date, my bike will be deemed **stolen** and my student account will be charged according to the stolen bike fee listed below.

#### **FEES**

I understand that in the following circumstances, the following fees apply:

- If I return my bike damaged/vandalized, or if my bike is stolen and NOT reported immediately, my student account will be charged the following fee:
  - o Fleet Bike Rental (all blue bikes): **\$350 charged to student account**
- If I lose all keys associated with my lock:
  - o Key replacement: **\$13**

I hereby agree to waive, release, indemnify and hold Berea College harmless from any and all claims for damages, costs or expenses for personal injury, death or property damage which I may have, or which may hereafter accrue to me, as a result of my participation in said activity. This release is intended release the College, its trustees, officers, employees, students and agents from any and all liability arising out of or connected in any way with my participation in said activity, even though that liability may arise out of negligence or carelessness on the part of others. It is understood that this activity involves an element of risk and danger of accidents and knowing those risks I hereby voluntarily assume those risks. It is further agreed that this agreement is binding on my heirs and assigns. I am not aware of any personal health reasons, mental or physical conditions that would preclude my ability to operate a bicycle or participate safely in this activity. I agree to obey all traffic laws and policies of Berea College relating to bike use and pedestrian safety.

*We hope you enjoy your bike!*
