-  Hospital Tobacco-Free Area
-  Campus Tobacco-Free Boundary
-  Tobacco-Free Area

This Tobacco-Free Policy covers all campus-controlled streets, sidewalks, parking lots, and properties, including but not limited to:

- Berea College Farm
- Brushy Fork
- Dead Horse Knob
- Forestry Properties
- Middletown School

For those sidewalks adjacent to streets not controlled by the college, we ask that you respect the pedestrians and our efforts to provide a healthier environment by refraining from tobacco use on those sidewalks.
